

WELCOME TO REGISTRATION

PREPARING FOR ADVISING & REGISTRATION

Before you arrive on campus

Read through the [Academic Catalog](#) – it includes course listings by department with descriptions and prerequisites that need to be taken for advanced courses. The catalog also contains academic policies and all degree and major requirements.

Look through the [Schedule of Classes](#) – it includes the class meeting times/locations and instructor's name. Each class links to the Academic Catalog with course descriptions.

Know the results of your AP or IB exams. [Placement exams](#) are offered over the summer. Exam credit and/or placement exams may place you out of specific courses or prerequisites.

Tips & Strategies for planning your schedule

JAN 16 - Meet with your Advisor

Complete the [Schedule Planner](#) to support your conversation with your Academic Advisor. Based on your conversation, you may want to make changes to your course selections.

Remember to get your 6 digit SOLAR Registration PIN from your advisor. You will not be able to access SOLAR (Reed's registration system) without it.

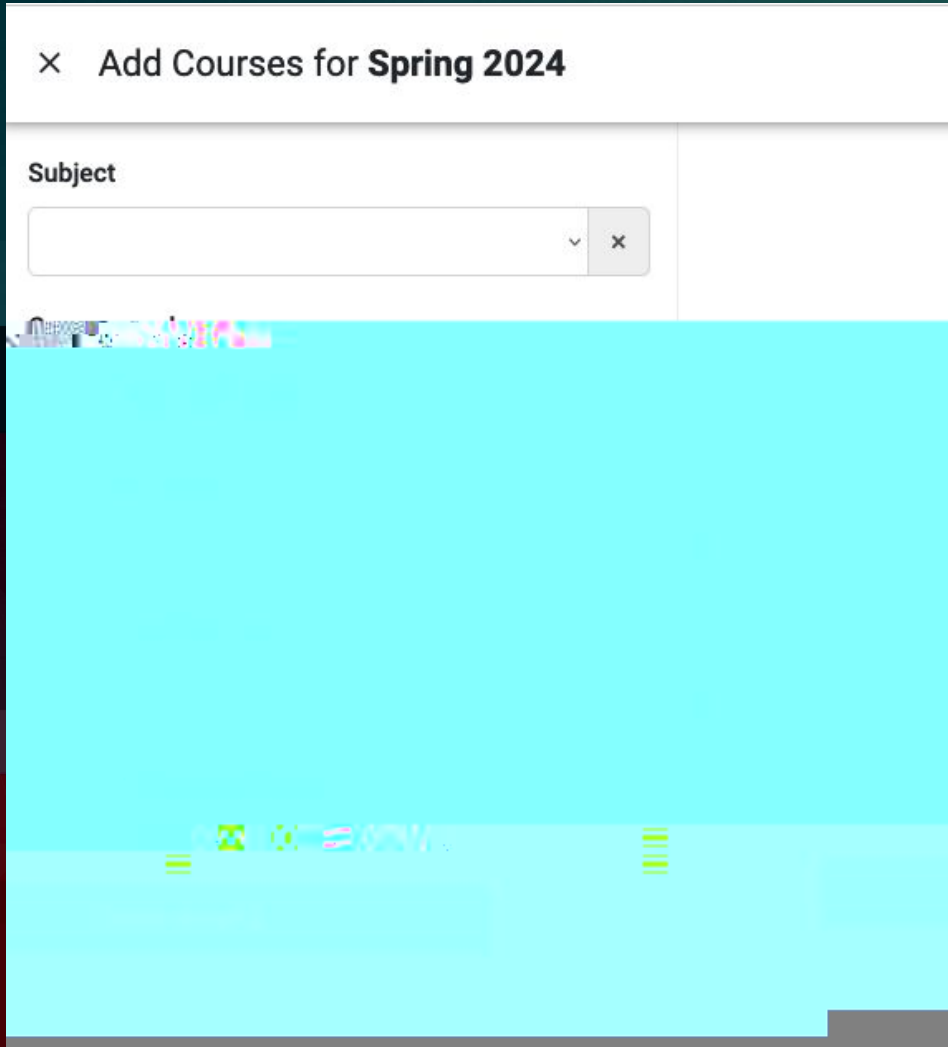

Register at SOLAR.REED.EDU

SOLAR registration remains open until January 18.

Click + Courses to begin.

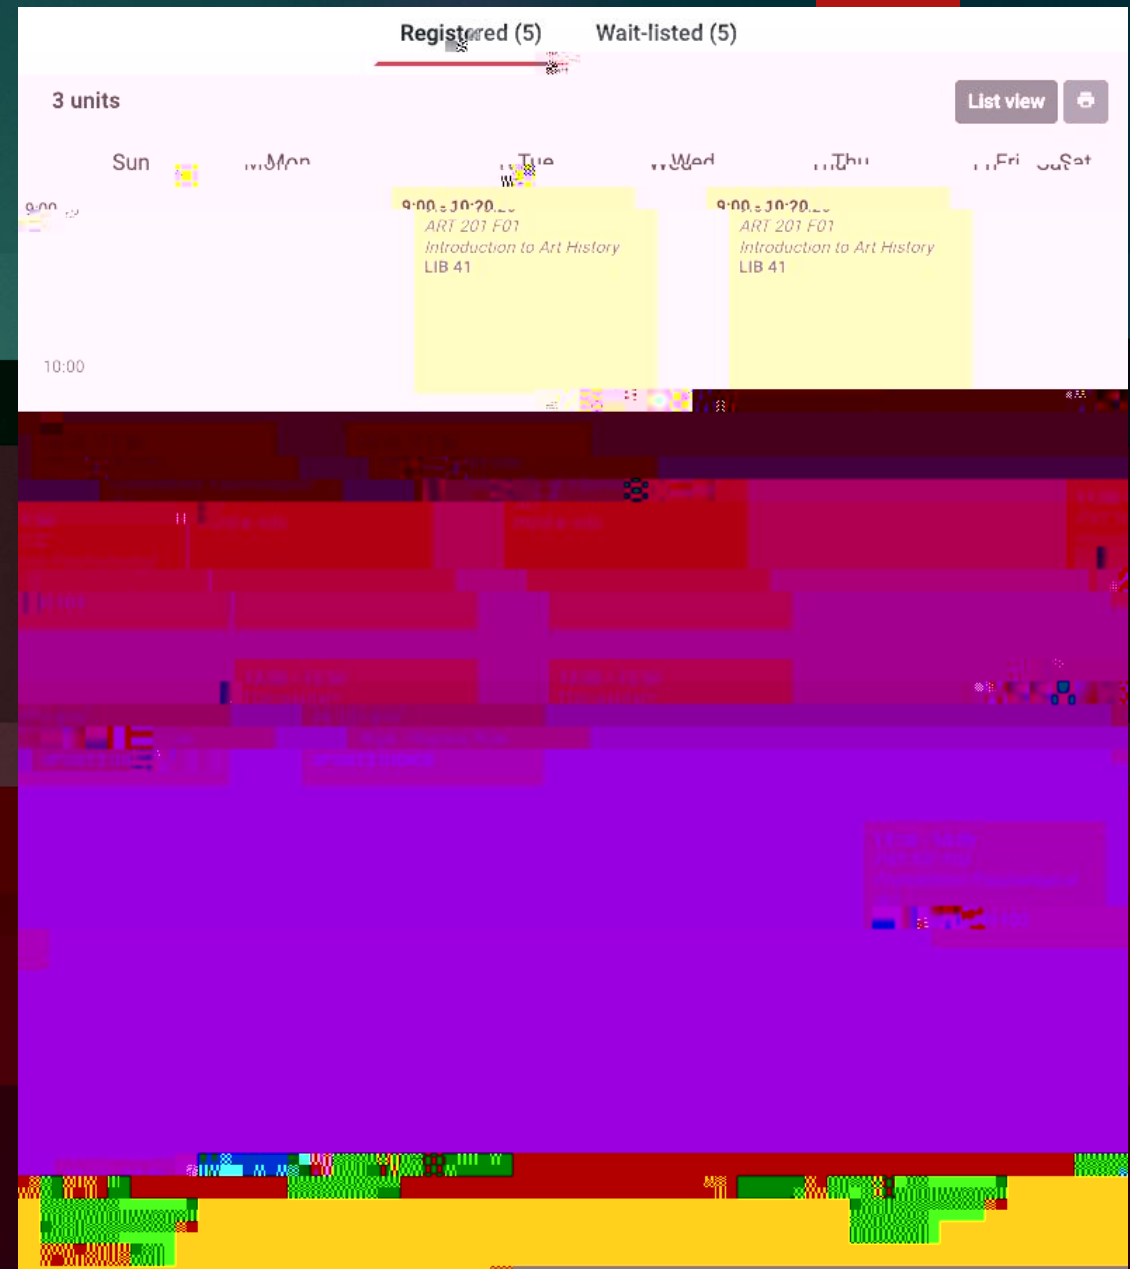

Click **Verify** to logout. You can return to make changes. SO LAR closes at 5:00pm on January 18.

Select a Subject.
Click Show results to see a list of courses.

You can also search by group requirement, or available seats or classes with no prerequisites. Check the box and Show results.

You can view your schedule as a list or daily calendar.

Register for at least 3.5 units. The max is 4.5 units per semester.

Physical Education classes meet for half the semester: PE 103/203 in the first half, PE 104/204 in the second half.

SOLAR closes at 5:00pm on Jan 18. It re-opens on the the first day of classes: Monday, Jan. 22.

ADD/DROP begins JAN. 28 – see the [Registrar's website](#) for more information.

Contact the [Registrar's office](#) with questions or concerns.
